

Amendments to Drawings

Please replace application drawing sheet that includes Figs. 8a and 8b (sheet 8 of 9) with the attached corrected formal drawing sheet including Figs. 8 and 8a. This drawing sheet are marked as a "Replacement Sheet".

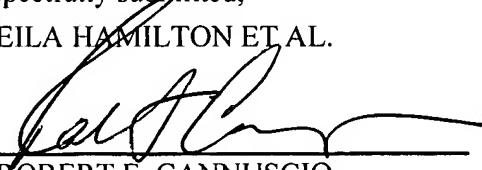

Remarks

The application as filed contained 9 sheets of drawings, including Figs. 8a and 8b. As noted in the Notice of Drawing Inconsistency with Specification, the Specification listed Figs. 8 and 8a. Fig. 8 was inadvertently marked as 8b in the drawings. The drawing sheet that includes Fig. 8b has been corrected to identify the figure as Fig. 8. The accompanying drawings address the objection noted in the Notice. No new matter has been added.

Entry of the corrected drawing is respectfully requested.

Respectfully submitted,
SHEILA HAMILTON ET AL.
